

ARTICLE FOR WISHAW PRESS PUBLICATION 2 JUNE 2010

MADE4U In ML2's band night **2** was held by on Saturday 22 May 2010 at Coltness Community Centre. The evening was a great success and is proving to be popular within the community with over 90 people, supporting and playing at this event on a very hot Saturday night. Our local secondary schools were once again supportive of the event and a number of bands came forward to perform to other pupils, family and friends. A variety of young people played on the night and the music varied from modern chart songs, rock, blues and my personal favourite punk. It was encouraging to see many talented young kids, some having only been playing a few months, having the confidence to come along and play on a stage in front of many people. MADE4U IN ML2 were able to introduce some new bands again from St Aidans High, Coltness High, Reeltime music and our community including Feedback, What's left to Lose, Dealt the Blues, Recoil and four talented new bands from Reeltime music Newarthill.

I would like to thank Sgt Jim Stewart and his colleague's from Murdostoun police team for supporting the band night again and ensuring a safe and enjoyable evening for all. MADE4U IN ML2 are grateful to Gordon Clarke from St Aidans, Gordon Swinton at Coltness High, Carol and Scott at Reeltime and Jamie Keenan for providing support and encouragement to the bands and MADE4U IN ML2 throughout the organizing of this event. MADE4U In ML2 hope to organize band nights every 2 to 3 months so if you would like to play in or support our next event in September then call our office on 01698 384030.

Rockin On

The crowd enjoying the Bands
