

Gingerbread Men Recipe

350g plain flour
 1-2 teaspoon ground ginger
 1 teaspoon bicarbonate of soda
 100g butter or margarine
 175g soft light brown sugar
 1 egg
 4 tablespoons golden syrup
 makes about 20 biscuits. Put the flour, ginger and soda into a bowl and rub in the butter. Add sugar and stir in the syrup and egg to make a firm dough. Roll out about 5mm thick and cut out your gingerbread men. If you don't have a gingerbread man cutter, use whatever you have, stars and hearts are just as tasty. Bake at 190°C/Gas5° on greased baking trays (spaced out as they will spread) for 10-15mins till golden brown. Leave to firm up for a couple of minutes before placing on a wire rack to cool. Once cooled decorate with icing. Enjoy!!!

Vision

To work with young people, individuals and families to empower them to make their own positive lifestyle choices
